SUBJECT: OSCE/FSC: 2009 U.S. GEMI DATA SUBMISSION

[1](#)1. (U) This is an action message.

[1](#)2. (U) The U.S. data submission for the Global Exchange of Military Information (GEMI) has been prepared for distribution to all OSCE participating States. DTRA rep will hand carry hard and soft copies of the data to Vienna. Mission is requested to distribute the U.S. GEMI data by April 30. Mission is also requested to provide an electronic copy of the U.S. GEMI data to the OSCE Documents Distribution Unit in accordance with FSC Decision 17/07.

[1](#)3. Washington requests that Mission report on the results of the GEMI annual exchange, including a summary of which countries submit data. Any questions about the U.S. data should be relayed back to Washington. We understand U.S. experts organizing the data exchange workshop will bring back copies of data exchanged by the other OSCE participants for further distribution in Washington.
